

Have you scheduled your annual mammogram?

Annual Mammo Party Results

In 2018 AMITA Health St. Mary's Hospital Kankakee hosted two "Mammo Parties" for women in the community. Twenty-seven women attended and were treated to a night of pampering with manicures, massages, games and snacks. The "Mammo Parties" were not only a fun girls night out but they were also educational.

Dr. Ilona Kichko (Breast Surgeon) and Dr. Nancy Sagona (Radiologist) provided educational presentations on breast health, self-breast exams, and the importance of annual mammograms.

All twenty-seven women in attendance at the "Mammo Parties" had an annual mammogram. Twenty-four of the twenty-seven women's mammograms were found to have normal results. Three of those women were called back for a second look and then found to have normal mammogram.

Based on the success of these two "Mammo Parties" AMITA Health St. Mary's Hospital Kankakee plans to host two "Mammo Parties" in 2019.

For more information or to schedule your annual mammogram please call 815.937.3475.
